MEMORANDUM

ATTENTION:	ALL STAFF & STUDENTS
CC:	EMC COUNCIL
FROM:	MR CJ VAN HEERDEN PRINCIPAL
DATE:	11 JUNE 2020
SUBJECT:	TEMPORARY CLOSURE OF PARK AVENUE CAMPUS

Dear Colleagues and Students

It is with regret to inform you that, as a precautionary measure, Park Avenue Campus would be temporary closed to allow for immediate decontamination.

One of this campus's students who attended class today, was informed throughout the morning that a close family member with whom the student shares an apartment, has contracted the COVID-19 virus and has tested positive. The student was immediately isolated and is undergoing the necessary tests. We would like to ensure you that the student had passed the Higher Health self-screening test and has presented it on arrival at the campus this morning. The student also did have a normal temperature and was properly sanitised.

Staff and students will be informed when the campus will be operational again. Kindly stay abreast with the status of the campus on the EMC website – www.emcol.co.za.

Each and every one of us should at all times take extra care as this virus does not discriminate and is highly infectious. Please continue to adhere to the prescribed precautionary measures in order to flatten the curve.

We wish the affected person a speedy recovery.

Kind Regards

MR CJ VAN HEERDEN
